

FOR IMMEDIATE RELEASE

FireKing Security Group Announces Affiliation with Security Executive Council

New Albany, Ind. (August 27, 2010) - FireKing Security Group, one of the premier security products companies in the nation, today is pleased to announce its affiliation with The Security Executive Council and its Solution Innovations Partnership Initiative. In addition to this group affiliation, Lloyd R. Jones, Senior Vice President of FireKing Security Group, will serve on the Solution Innovation Partner Advisory Board.

Lloyd Jones said, "Fire King is excited to be a part of this new and innovative group that represents years of proven experience in the field of security. The people and products represented within this group offer the opportunity to demonstrate the real value of security solutions to the business. I look forward to the exchange and the benefits to be shared among the partners and future participants."

Members of FireKing Security Group, consists of FireKing International, LLC., FireKing Security Products, LLC., Image Vault, LLC, and Commercial Services, LLC.

About FireKing Security Group

About the Security Executive Council

The Security Executive Council (www.securityexecutivecouncil.com) is an innovative problem-solving research and services organization. We work with Tier 1 Security Leaders™ to reduce risk and add to corporate profitability in the process. A faculty of more than 100 experienced security executives provides strategy, insight and proven practices that cannot be found anywhere else. Through our pioneering approach of Collective Knowledge™, we serve corporations and organizations of all types and sizes. The Council is quickly becoming the foremost voice on organizational risk mitigation leadership. We welcome all aspects of the security community to become involved. If you are a practitioner, vendor/contractor, media company, professional association or educational institution, contact us: contact@seclleader.com.
