

A SAFE EQUAL TO THE TASK

JC4524

COMPOSITE BURGLARY UL TL-15 SAFES WITH OMEGA POINT 350° 1-HOUR FIRE LABEL

- Three active bolts
- Equipped standard with Group II mechanical dial combination lock. (electronic lock optional)
- High security door with hard plate
- Lifetime replacement warranty in case of fire and a 1-year limited warranty.
- Available colors: Graphite or Taupe.

KC6524

COMPOSITE BURGLARY UL TL-30 SAFES WITH OMEGA POINT 350° 1-HOUR FIRE LABEL

- Standard 3-way boltwork (on most models).
- Equipped standard with Group II mechanical dial combination lock. (electronic lock optional)
- High security door with hard plate
- Lifetime replacement warranty in case of fire and a 1-year limited warranty.
- Available colors: Graphite or Taupe.

The UL TL-30 rating means the safe is designed and tested to withstand double attack time as the very respectable UL TL-15.

HIGH SECURITY AND FIRE RATED

When you are protecting assets reaching into the tens and hundreds of thousands of dollars, you'll want a safe equal to the task. These safes pass a grueling physical entry attack test that includes heavy power tools, sledgehammers and picks. Each safe features high-quality dial combination locks with an internal relocking device.
